It is rock crawling and racing time again at the Delta Proving Grounds at the Millard County Fair Grounds.

You can enter the competition by getting an entry form from Craig Stumph by calling 435-864-3199, visiting www.oldschoolrockcrawl.com, or www.rme4x4.com.

Seven classes are available to competitors, UTV, ATV, Street Stock, Legend, F Toy, Pro Mod, and Unlimited classes. Pro Mod has been added this year to level out the playing field in the Legend class. Seven classes provide a place for everyone to compete. The vehicles go from mild to wild in these classes and are scored by their team's ability to navigate difficult terrain.
